

Assembly of God Church School, Ukhra

(Affiliated to the Council for the ISC Examinations, New Delhi, W.B. 131)

16th June, 2020

NOTICE

TO ALL PARENTS,

Some Parents have expressed their difficulty in payment of their ward's Fees for the months of April to June, 2020 due to the Lockdown, loss of income etc.

To mitigate the financial hardships being faced by our parents during the Lockdown period, the School has taken the following steps:

1. The decision of Fee hike of 12% for the Academic Session 2020-2021 has been rolled back by the School and Parents were informed to pay only last year's (2019-2020) Fee Rates.
2. The Parents who are facing financial difficulty may choose to pay the Tuition Fee component only during the Lockdown period (April-June, 2020) and the balance Fee dues from April, to June, 2020 may be paid in instalments, after the Lockdown is lifted without Late Fee charges and in consultation with the School Office.
3. The School has already extended concessions to some of the very deserving students and we are willing to consider a few more concessions to deserving parents, purely on merit basis, within our capacity.
4. You are probably aware that the School estimates its whole year's expenditure on a realistic basis and arrives at its Fee Structure i.e. Tuition Fee and various Other Fees. You are also kindly aware that our School does not get financial aid from any quarter, but solely depends upon the School Fees to pay the Staff salaries apart from meeting monthly Statutory and other commitments.
5. Due to the financial constraints, the School is unable to keep up the commitment of implementing the 6th Pay Commission's Recommendations to our Staff members despite their legitimate request.
6. We are imparting quality education through online platforms on a regular basis, right from the announcement of the Lockdown during March, 2020, which has been acknowledged and appreciated by our Parents.

In view of the above, we earnestly solicit your kind cooperation to help our School to continue to carry on our mission and commitment to train our younger generation by imparting values and excellence in education.

Thank you,

Mrs. B. Shah
Principal
